## SPRING WINE TASTING AND DINNER

MAY 17, 2018 | PHOENIX PARK HOTEL | WASHINGTON, DC

# PROCEEDS TO BENEFIT PEOPLE WITH DISABILITIES IN OUR COMMUNITY

The ServiceSource Foundation is a 501(c)(3) not-for-profit established to raise money to help bridge the gap to community-based opportunities for people with disabilities at ServiceSource.

In 2017, the ServiceSource Foundation achieved a milestone in its fundraising history when we surpassed the \$10 million mark in total donor contributions. Nearly fifty percent of the money raised was donated through the Annual Spring Wine Dinner.

Your support through the years has allowed the ServiceSource Foundation to provide start-up funding for new initiatives and provide gap funding for exceptional programs that require resources for expansion. Programs initiated through Foundation funding include our Autism Spectrum Supports Program, Family Support Services, Warrior Bridge Veterans Services and expressive therapies such as music, art, dance, yoga and therapeutic horseback riding. The Foundation was also instrumental in raising more than \$5 million in a Capital Campaign to purchase and renovate The Disability Resource Center which opened in December 2014.

When the ServiceSource Foundation was established in December of 2004, little could we have dreamed of the impact the Foundation would have for years to come. We are forever grateful for the support of our Corporate Partners and individual donors who have helped to improve the lives of individuals with disabilities.

*Thank you for your continued support!*

*Individuals at our Chantilly Community Integration Center participate in music, art, dance and yoga therapy programs, funded by your generous support!*

## Your contributions at work!

Ninety-nine cents of every dollar donated is used in direct support of programs and people.
