Workplace Giving Donation Form

By supporting the ServiceSource Foundation you support the many programs and services that the Foundation funds each year. The Foundation provides gap funding and start up funding for initiatives that have no other source of support. By making a payroll deduction or one-time contribution to the Foundation, you are supporting the programs that help empower people with disabilities. Thank you for your support!

Unrestricted gifts to the Foundation are used for programs that are needed most. You may also double your impact by supporting the **\$1 for \$1 match** campaign to create a \$5 million Community Assistance Endowment. Donors may also designate their gift be used for a specific program or regional office program.

Please choose one of the programs below and a desired amount and fill out the information on the following page.

- ServiceSource Foundation Unrestricted - a donation to the ServiceSource Foundation is an unrestricted gift, with funds being used where there is the greatest need.
- Community Assistance Endowment - Your contribution is matched \$1 for \$1 to establish an endowment that serves people with disabilities and their families who need resources for which funding is not otherwise available.
- I want to make a contribution that is restricted to the following program or region:

Name: _____

Amount Per Pay Period to be Deducted: \$ _____

Payroll Deduction Length (Months or Years): _____

Work Phone: _____ Email Address: _____

Signature _____ Date _____

Please return this completed form to alex.roos@servicesource.org or mail to 10467 White Granite Drive, Oakton VA 22124. Please feel free to contact Alex at 703-970-3683 if you have any questions.
