

Your Gift. Our Stories.

Building Inclusive Communities—One Person at a Time.

Meet Amy

Amy enjoys the therapeutic music and dance classes, sensory room, and learning opportunities she engages in at ServiceSource's Long-Term Community Integration Services (LTCIS) program in Chantilly. She also has benefited from using an iPad to assist with communication, which she received through ServiceSource's Assistive Technology lab operated by our Family Support Services. Amy's mom, Robyn, shared that "ServiceSource provides Amy with a purpose."

Support the ServiceSource Foundation's 2019 Year-End Appeal

Greetings,

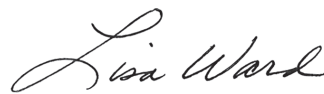

Your support of the ServiceSource Foundation provides start-up funding and gap funding for many of the critical programs that ServiceSource provides.

Your donations are well spent and have a direct impact! **Ninety-nine cents of every dollar** donated is used in direct support of the people and programs in all regions where ServiceSource operates.

- Your support of the ServiceSource Foundation supports ServiceSource programs including our Music, Art, Dance and Yoga therapies at our Long-Term Community Inclusion Programs, Family Support Services, Customized Employment, Bloom Artisans, and our Autism Spectrum Services.
- You may also designate your gift to the Community Assistance Endowment where your gift will be **matched \$1 for \$1** to provide individual assistance scholarships to families in need.

We hope that you will support our Year-End Appeal and help us support more stories of success.

Thank you,

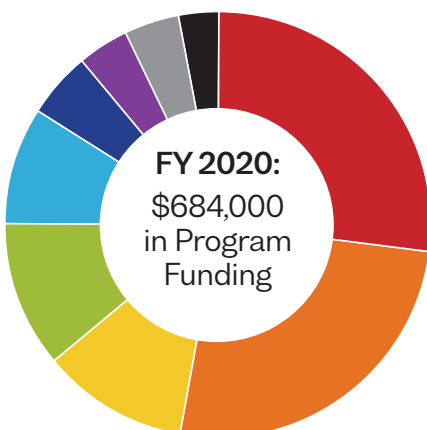

Lisa Ward
Executive Director
The ServiceSource Foundation

To make a contribution to the ServiceSource Foundation, please mail your check using the enclosed envelope or you may donate on-line at:
