

Print “I Got Vaccinated” Stickers for your Team!

The CDC has provided a sticker template (on the following page) to help individuals share their commitment to receiving the COVID-19 Vaccine!

Please follow the instructions below to print.

Option 1 – QUICK PRINT

1. Print the stickers on regular printer paper.
2. Cut each square using scissors to make individual “stickers”.
3. Use tape to secure them to any surface such as desks, office doors, etc.

Option 2 – AVERY TEMPLATE

1. Purchase sticker printer paper to print the template.
Note: You must use Avery Template 5293 (or comparable options).
The template is available for purchase at:
<https://www.amazon.com/Avery-Visibility-Diameter-White-Labels/dp/B00007M5LB>
2. Insert the sticker paper into your printer according to the directions on the package.
Note: You may have to insert the paper upside-down depending on your printer settings.
3. Click print and share with employees to wear throughout the day, to take home, to attach to personal items, etc.

Share pictures of your team with their sticker by emailing communications@servicesource.org.

Consent must be given by the individuals in any photos sent prior to submitting to corporate.
