

The Fundraising Campaign to Do More at Ellmore

Help us create the Community Inclusion Center at Ellmore Farmhouse at Frying Pan Park.

The ServiceSource Foundation is excited to lead a \$660,000 Fundraising Campaign to complete renovations on the historic Ellmore Farmhouse, located in front of the Visitor's Center at Frying Pan Park. The renovations of this historic property will bring to life the rich history of the Farmhouse and its importance to the history, culture and commitment to farming in Fairfax County. With ServiceSource as the partner agency in this renovation project, we will include the many talents of individuals with disabilities in the continuum of historical significance of this home that was built in 1891.

ServiceSource will lead the renovation project in partnership with Pizzano Contractors. Renovations will preserve the historical structure of the home, while at the same time, make the property accessible for our first Long Term Community Integration site in Herndon. Individuals who have unique abilities will participate fully at Ellmore Farmhouse, supporting the park animals and sharing in the park's history.

We hope that you will support our Fundraising Campaign to make the necessary renovations at Ellmore Farmhouse. There are many ways to give and many opportunities to be a part of history in the making at Frying Pan Park and the Ellmore Farmhouse.
